

INTRODUCING

RCI Procurement Services

“ Our experience and expertise within the hospitality industry, leveraged within the buying power of Wyndham Worldwide, allows us to provide a one stop shop service for all procurement needs. ”

BIOGRAPHY

RCI Procurement Services has been set up to help manage and control all 3rd party spend for Wyndham Worldwide Business Units, totalling approximately \$2.5bn per annum.

For the last 6 years, they have also been providing procurement support and services to various Wyndham Partners including Hotels, Parks and Resorts.

With over 40 years' experience within Hospitality Procurement, **RCI Procurement Services** are well placed to provide a range of services to our partners to help improve and enhance supply chains and increase profitability at both site and corporate levels.

SERVICES AVAILABLE

RCI Procurement Services provide a range of solutions to help improve your supply chain, operation and profitability, and include, but are not limited to, the following:

- Preferred Supplier Programmes
- Wyndham Negotiated Pricing – Leveraging Wyndham Worldwide's global spend
- Outsourced Procurement Services
- Benchmarking
- Supply chain reviews and analysis
