

INTRODUCING FNTC

“ As a leading industry service provider FNTC is delighted to be part of the RCI Affiliate Access programme and is looking forward to working with RCI to add to the extensive product portfolio and range of business services available to RCI Affiliates through the programme. ”

BIOGRAPHY

FNTC has been a resort trustee and heavily involved in the Holiday Ownership industry for over 25 years and manages over £2.5bn worth of property assets, works with over 300 resort and leisure real estate developments and provides services to over 650,000 consumers worldwide.

FNTC's innovative approach combined with years of experience in business administration enables us to deliver bespoke solutions that are both manageable and cost effective.

FNTC has for many years specialised in the provision of bespoke card processing solutions in the Holiday Ownership and Fractional Ownership space. Affiliates are now able to access our CardScape technology platform through the programme which will enable many to maximise revenue opportunities through a real time fully integrated card processing solution.

SERVICES AVAILABLE

● CardScape

A credit & debit card processing platform for the Holiday Ownership and Fractional Industry that enables resorts to book sales, or process maintenance fee and other payments 24/7 through an online platform.

● IT & Software

Integrated solutions for the Holiday Ownership and Fractional Industry.
