

# INTRODUCING LEISURE MANAGEMENT PLUS

“ We are delighted to partner with RCI to offer our unique set of services and our highly skilled team with specialist knowledge in Timeshare Resort operations to be helpful to legacy resorts which face some common, and some very unique challenges. Individually unique to themselves relative to their own circumstances, location and history as well as their own vision, desires, needs and wants for their future. ”

## BIOGRAPHY

Leisure Management Plus has been providing consulting and management services to the Timeshare Resort Industry for over 30 years and has been re-launched in 2015 in order to serve the needs of the legacy resorts which exist in both Europe and the United States.

Covering all aspects of management within the hospitality business, Leisure Management Plus aim to help improve your resorts' efficiencies through it's services and products. Leisure Management Plus has the expertise, experience, ability and significantly the determination and vision to be able to seek out solutions that work for the unique challenges faced by various timeshare clubs & committees.
